

REMARKS

Applicants note with appreciation the allowance of this case in the Notice of Allowance mailed January 29, 2004. In the course of preparing the application for grant, Applicants have reviewed the specification and claims and have found that the above errors require amendment.

This amendment to the specification does not require a new search and is not a substantive change from conceptual considerations. Accordingly, it is respectfully submitted that the present amendment be entered under the provision of 37 CFR 1.312 and such action is respectfully solicited.

At this time, the issue fee has not been paid.

Respectfully submitted,

John J. Tomaszewski
